

Athlete Cooperative Agreement

If an athlete wants to participate in the North Dakota State High School Clay Target League (NDSHCTL) and the athlete's school does not have a team, the athlete may participate on another school's team only if a Cooperative Agreement is signed by both school's Athletic/Activities Directors.

The agreement is valid only for the season it is submitted for within the same calendar year. No agreement will be allowed after the athlete registration deadline. One student application per form.

It is strongly encouraged that the athlete makes a concerted effort to start a team at his/her own school before participating on another school's team.
